

PARTY WITH A PURPOSE BOOKING SCRIPT

Hi ____ this is ____ from ____. You probably know (or I don't know if you know this) - I am a Mary Kay Consultant. The reason I'm calling is because my company has challenged me to party with a purpose is _____. For every woman who has a makeover with me, I'm making a donation in her name for that cause, plus you get a \$10 gift card for getting together with me. You seem like such a nice person, I thought you might help me out!
