Seminar Awards 2012

Queen's Court of Sharing

Court members in the Queen's Court of Sharing must achieve 24 or more qualified new team members during the contest period (July 1, 2011 – June 30, 2012). For a new team member to be qualified, her Independent Beauty Consultant Agreement and minimum of \$600 in wholesale Section 1 orders must be received and accepted by the Company during the Seminar contest period. A maximum of 13 new actual team members may count toward the 24 required in any calendar month. A new team member who becomes qualified will count toward the monthly maximum of 13 in the month her signed Independent Beauty Consultant Agreement is received and accepted by the Company, not the month she becomes qualified. If more than 13 new team members' Agreements are processed in a calendar month during the contest period, the 13 with the highest commissions earned by the recruiter will count toward the maximum. Ranking of the top 20, including the Queen and runners-up, will be determined by personal team commissions earned on the 24 or more qualified new team members. Please note that a qualified new team member who returns product to the Company for repurchase during the contest period, resulting in net wholesale Section 1 production below \$600 at the end of the contest period, will not count toward the Queen's Court of Sharing.
